МАНИФЕСТЪ

КЪМЪ

БЪЛГАРСКИИ НАРОДЪ.

22. Сеп.
5.00 Кж

По волята на Незабвения цар Освободителъ, великиятъ братски Руски народъ, подпомогнатъ отъ добритѣ ни съседъ, поданицитѣ на Негово Величество Румъльския Кралъ и отъ юначитѣ Българи, на 19-й Февруарий 1878 година сломи робскитѣ вериги, що прѣзъ вѣкове сковаха България, вѣкогашъ тъй велика и тъй славна.

Отъ тогава и до днесъ, цѣли 30 години, Българскиятъ народъ, непоколебимо вѣрнѣвъ къмъ памѣтъта на народнитѣ дѣйци за своята свобода, и, въодушевяванъ отъ тѣхнитѣ завѣсти, неуморно работи за урежданieto на хубавата си земя и създаде отъ нея, подъ Мое ръководство и онова на о. Бозѣ почившия князь Александъръ, държава, достойна да бѣде равноправенъ членъ въ сѣмейството на цивилизованитѣ народи. Винаги миролюбивъ, Моятъ народъ днесъ копнѣе за своя културенъ и икономически напредѣкъ; въ това направление нищо не бива да спъва България; нищо не трѣбва да прѣчи за прѣусеиванieto ѝ. Такова е желанието на народа Ни, такава е неговата воля – да бѣде спорѣдъ както той иска.

Българскиятъ народъ и Държавниятъ му Глава немогатъ освѣтѣ еднакво да мислятъ и едно да желаятъ.

Фактически независима, държавата Ни се спъва въ своя нормаленъ и спокоенъ развой отъ единъ узан, съ формалното разкъсване на които ще се отстраня и настанало то охлаждане между България и Турция.

Азъ и народътъ Ми искрено се радваме на политическото възраждане на Турция; тя и България, свободни и напълно независими една отъ друга, ще иматъ всички условия да създадатъ и уякчатъ приятелскитѣ си връзки и да се прѣдадатъ на мирно вътрѣшно развитие.

Въодушевенъ отъ това свѣто дѣло и, за да отговоря на държавнитѣ нужди и народното желание, съ благословението на Всевипния, **ПРОВЪЗГЛАСЯВАМЪ СЪЕДИНЕНАТА НА 6-й СЕПТЕМВРИ 1885 ГОД. БЪЛГАРИЯ ЗА НЕЗАВИСИМО БЪЛГАРСКО ЦАРСТВО** и заедно съ народа Си дълбоко вѣрвамъ, че този Ни актъ ще намѣри одобрението на Великитѣ Сили и съчувствието на цѣлия просвѣтенъ свѣтъ.

Да живѣе свободна и независима България!
Да живѣе Българскиятъ народъ!

Изданъ въ държавна столица на Българското царство Велико Търново, на 22 Септември 1908 г., двадесетъ и втората годишнина отъ Негово царуване.

На първообразното съ собствената ръка на НЕГОВО ВЕЛИЧЕСТВО подписано:

ФЕРДИНАНДЪ I.

ПРИПОДПИСАЛИ:

The Majestic Bulgarian Mountains

- Strandzha - the mystical mountain of the Thracians

Strandzha Nature Park is the largest protected area on the territory of Bulgaria that stretches over 1161 sq km. The park comprises five nature reserves, fourteen protected areas, and eight natural landmarks.

Interesting fauna and flora species-remnants of past geological periods (relicts) inhabit Strandzha. 64 relict species live on the territory of the park, seven of which cannot be seen anywhere else in Europe. This is the only place in the entire continent where the typical forests from the end of the Tertiary (approximately 1.8 million years ago) have been preserved.

About BAPET:

BAPET, the Bulgarian Association for Cave and Eco-Tourism, is a voluntary, independent, non-partisan, and non-governmental organization dedicated to the promotion and support of cave and eco-tourism initiatives in Bulgaria.

www.bapet.net
www.bapet.bg

BAPET
BULGARIAN ASSOCIATION
FOR CAVE AND ECO TOURISM

About BAPET:

Our Mission:

- Promote diverse cave and eco-tourism, spotlighting Bulgaria's natural and cultural gems worldwide.
- Reveal Bulgaria's unique beauty, rivaling global landmarks, and expand eco-tourism opportunities.
- With rich resources and diverse attractions, Bulgaria offers immersive experiences for tourists. BAPET fosters sustainable tourism and community growth, inviting all to preserve Bulgaria's treasures.

www.bapet.net
www.bapet.bg

About BAPET:

Collaborations:

- BAPET works closely with European funds for ecology, fostering partnerships and initiatives aimed at promoting sustainable tourism practices and preserving Bulgaria's natural heritage.
- Additionally, we are actively involved in advocating for legislation that protects and preserves cave ecosystems. BAPET is committed to working on the law for the caves to ensure the conservation of these valuable natural resources for future generations.
- One of the projects we are working on is the preservation and improvement of the Rastrakli Reserve in the Western Rhodopes. An interesting fact is that Rastrakli is the second place on the planet, where during the May-July period the largest gathering of butterflies on the planet occurs - over 450 species.
